## Lifelong Learning

### Larry Hatteberg to kick off first event

We are so excited to host Larry Hatteberg for our first Lifelong Learning event. Larry was a KAKE News icon for more than 50 years. He started when he was 18 years old. He has won more than 130 state and national awards in photography and reporting jobs. Larry is the most honored journalist in Kansas.

His "Hatteberg's People" series is the longest running television feature in Kansas and his book Larry Hatteberg's Kansas People spent weeks on the state's best-selling list. He retired from KAKE in 2014. Though, today, he still hosts Hatteberg's People on PBS Kansas.

Join us in the Apartments' Lobby area at 2PM, Tuesday, April 9. Parkside Apartments are located at 1 Park Avenue. Refreshments will be served.

## Community Health Night

### Pain Management

Parkside will also be hosting a monthly Community Health Night. We plan to have topics that are of interest to all adults. Our first event will be learning about Pain Management. How to access pain, the types, effects and the myths. There will be time for questions and answers.

Community Health Night will be Monday, April 22 at 7PM. This will also be held in the Apartments' Lobby area. Parkside Apartments are located at 1 Park Avenue. We hope to see you there!

# Get to know the Staff: Brenda Hilliard, CNA

Brenda started at Parkside in 2010 and sees her work here as a ministry, to comfort and care for residents.

She and her husband Gary live in Hillsboro and have 6 children. Their daughter is in Maryland and four sons live in Kansas and Missouri. They are blessed with 14 grandchildren, with number 15 due in April.

Brenda enjoys garage/estate sales and shopping thrift stores. She loves to spend time with family and reading.

Her work at Parkside is focused on making a difference in the residents' lives. Her goal is to help residents have a better and more fulfilling and meaningful life while they're here. She loves Parkside and plans to work here until she retires. We appreciate you Brenda!

## Van Fundraising

We continue to work at raising funds for a Wheelchair Accessible Van. Our current van is a 2005 model and does not have the ability to transport residents that cannot transfer.

The turnout and response was great last summer at our Hearts 4 Him Concert and we are in the planning stages of another outdoor concert.

If you would like to donate to the Van Fund or any of the other projects we have going, please drop a check in the mail or by the office.

See Stephanie for any details or questions. We appreciate your generosity!

# Learn to Know your Neighbor

This month we are featuring **Eloise Faul** who lives in the only single home on our Independent Living/Park Avenue circle. She and her husband John lived in the Apartments for 6 months while it was being built. They moved in August of 2010.

Eloise was born and raised in Hillsboro as Eloise Franz. She attended and graduated from Tabor College with a Business major and English minor. It was at Tabor where she met John Faul from North Dakota. They married in 1955.

Her first year out of college she taught English at CBA in Corn, Oklahoma, then at Eudora, Kansas High School while John attended Medical school at KU. Most of their married life they lived in Colorado, where John practiced psychiatry. Together they had two daughters, now grown and living in Hillsboro and Arkansas. Added to the family are five grandchildren, 4 boys and 1 girl who have added another 9 great grandchildren.

John passed away three years after they moved to Parkside. Eloise continues to enjoy living here and stays active. She enjoys reading and playing the piano.

When asked what Eloise likes about living independently at Parkside, she quickly answered, 'There is always someone to take care of things when they fall apart.' She shared that not too long ago her garage door stopped working. The guys replaced it quickly, telling the vendor that it was an emergency. We love to have you here and glad you are so happy.

The Courtyard grass was covered with bright Easter eggs on Good Friday, March 29. The residents enjoyed the kids, parents and staff running, hunting and playing. Baskets were filled and happiness was achieved by all.
